PROJECTS

Personal Automation Projects | Self-Directed Learning

- Built and tested n8n workflows for personal productivity, process automation, and AI-assisted task handling.
- Explored integration of AI tools, APIs, and automation platforms to streamline repetitive digital tasks.
- Practiced designing workflow logic, triggers, actions, and output handling in a self-hosted n8n environment.
- Documented automation ideas and tested practical use cases for admin support, lead handling, and workflow efficiency.

AI-Assisted Web and Program Building | Personal Projects

- Built simple websites and programs using HTML, CSS, JavaScript, and Python with AI-assisted development tools.
- Developed working familiarity with reading, editing, and understanding code structure while building personal projects.
- Used AI tools to troubleshoot issues, improve outputs, and accelerate learning in web and automation-related projects.

Technical Learning and Tool Exploration

- Continuously developed skills in automation, AI tools, APIs, and technical troubleshooting through self-study and hands-on experimentation.
- Applied problem-solving and technical curiosity to learn emerging tools independently and adapt quickly to unfamiliar systems.

PROFESSIONAL EXPERIENCE

Helpdesk Technician II

Stefanini Philippines | Mar 2025 - Sept 2025

- Provided technical support and troubleshooting assistance to users in a fast-paced company environment.
- Assisted with diagnosing and resolving hardware, software, and general computer-related issues.
- Supported day-to-day IT concerns while maintaining professionalism and clear communication with users.
- Helped ensure timely issue resolution by identifying problems, applying fixes, and escalating more complex concerns when needed.
- Strengthened practical knowledge of technical support, system troubleshooting, and end-user assistance in an operational setting.

Customer Service Representative

iQOR Philippines | Sept 2024 – Nov 2024

- Supported business customers with telecommunications plans, devices, billing concerns, and account-related inquiries.
- Troubleshoot device and service issues to help customers restore connectivity and manage their accounts more effectively.
- Explained available plans, devices, and account options clearly, helping customers choose solutions that matched their needs.
- Balanced customer satisfaction with performance expectations by resolving concerns professionally in a target-driven environment.

Order Processing – SEND Representative

Upwork – Ava's Flowers | Oct 2023 – Jul 2024

- Processed floral orders accurately, ensuring complete order details were entered correctly for smooth fulfillment.
- Coordinated with third-party vendors and florists to confirm product availability, delivery schedules, and order requirements.
- Communicated order updates, delivery changes, and issue resolutions with vendors and team members to prevent fulfillment delays.
- Maintained organized tracking of orders and communications, improving workflow accuracy and supporting timely deliveries.

Support Ambassador

Telus International Philippines | May 2022 – Jan 2023

- Assisted hosts and guests with reservation concerns, including booking issues, changes, cancellations, and account-related questions.
- Provided support through phone, chat, and email, ensuring timely and accurate responses across multiple customer channels.
- Investigated reservation problems and guided customers toward appropriate resolutions to improve their overall experience.
- Maintained professionalism and empathy while handling sensitive concerns in a fast-paced customer support environment.

Customer Service Representative

Alorica Philippines | Sept 2021 – May 2022

- Assisted customers with order concerns, shipment tracking, website issues, and account-related inquiries through phone and email support.
- Helped customers navigate the website, manage orders, and understand shipment updates more clearly.
- Resolved common order and account issues efficiently while maintaining accurate communication and documentation.
- Delivered professional customer service that supported satisfaction and helped resolve concerns on first contact when possible.

Customer Service Associate

Amazon Operations Services Philippines Inc. | Apr 2021 – Jul 2021

- Assisted customers with product inquiries, order tracking, refunds, replacements, and account-related concerns through phone and email.
- Guided customers in navigating the Amazon platform to manage purchases, account settings, and order issues more effectively.
- Investigated order concerns and provided appropriate solutions, including delivery updates, refunds, and replacements.
- Sent follow-up communication when needed to clarify resolutions and improve customer understanding of next steps.
